

AEROPRESS® Go™

The Better Travel Coffee Press

AeroPress® Go™

The AeroPress Go travel coffee maker fuels an active lifestyle by giving coffee lovers everything they need to conveniently brew superb American style coffee anywhere they want. Like the original AeroPress, the AeroPress Go can also brew espresso style and cold brew coffee that can be used in a wide range of energizing and refreshing drinks.

Presents a great opportunity to increase sales:

- To existing AeroPress users
- To new customers
 - Travelers
 - Outdoor adventurers
 - Office workers

Includes all the benefits of an AeroPress:

- Delicious coffee anywhere:** enjoy while traveling, camping, boating or just at work
- Simple:** easy to use and clean up takes seconds
- Perfect traveler:** compact, light weight, and durable
- Save time and money:** skip the coffee shop
- Good to Go:** mug and accessories included
- Superb taste:** free yourself from hotel coffee

Includes:

- AeroPress chamber and plunger
- 15 oz. (444 ml) mug with lid
- Filter cap
- Scoop
- Stirrer
- Filter holder
- 350 Micro-Filters
